PRESS RELEASE
Wed., July 11, 2018

**COUNTY PREVENTIVE MAINTENANCE CONSTRUCTION BEGINS
NEXT WEEK**

(Santa Barbara, Calif.) – Preventative maintenance work will begin next week, July 17, 2018 and will continue through August 2, 2018. This project will resurface approximately 26 lane miles of roads in the First, Second, and Third Districts. The County of Santa Barbara Board of Supervisors awarded the contract for this project to California Pavement Maintenance Company, Inc. (CPM). The estimated construction cost is \$1.7 million and funding is provided by State SB-1 funding and the County General Fund. For a full list of streets and locations, visit www.countyofsb.org/uploadedFiles/pwd/News/1819_preventativemaintenance.pdf.

Construction hours are expected to occur Monday through Friday between 7 a.m. and 5 p.m. Drivers should be aware of reduced speed zones and increased traffic control when driving through the construction sites. For the safety of crew members and motoring public, please be observant of construction area signs and be prepared to stop when traveling through the work site. Public Works Department officials thank local residents and the traveling public for their patience and cooperation during the construction of this project.

For a list of scheduled roads, please visit the project website PWSB.net or contact the Transportation Division of County Public Works at (805) 681-4990.
